JaiShrikrishna!

Shree Sanatana Dharma Vidyalaya Association has 100 years of experience in providing the best School Education. We run Shri Sanatana Dharma Vidyalaya Mat.Hr.Sec.School (Estd.1919), Motilal Fomra Sanatana Dharma Hr.Sec.School (Estd.1960), Shri Kanaiyalal Agarwal Bal-Niketan (Estd.1962) and Shakthi Public School (Estd.2012). We created Shakthi Public school with the vision to provide an excellent opportunity to the students and parents looking for holistic development. We built not just the buildings and classrooms; but we have created an ecosystem and environment for learning and education.

We prepare students at every age to be successful and happy during their time at Shakthi. Children grow with challenging academics, competitive and innovative programs, first-class facilities to meet parents' expectations. Learning beyond classroom through a spectrum of extra-curricular activities for overall progress. We provide a hands-on learning experience through science, Mathematics to shape their imagination. To give them a glimpse of the real-world scenario, we have frequent field trips to develop the learn-by-doing attitude and decision-making skills. Shakthi Public School is renowned for turning learning into a fun experience. In spite of just focusing on theory and grades, our teachers make sure that kids are happy and understand the foundational concepts.

I thank you to be a part of Shakthi Public School Family. Happy learning and happy career building!

JaiShrikrishna!

Education is not just a process of giving knowledge for a future job but a lifelong process which creates an understanding of moral and ethical values to guide one's life in a right path. Shakti Public School will continue to promote quality education and children will enjoy their learning and reap abundant harvests as long as they are under our protection. We focus on completed development of our students by involving them in both scholastic & co-scholastic activities as suggested by CBSE. I am sure this will help our children to realize, understand & explore their talents.

We endeavour to make our students physically, intellectually and emotionally strong so that they can face the challenges of the world and emerge as winners always. We inculcate in them the spirit of patriotism so that they know their duties towards the Nation and act as leaders of social reform. Our teachers have the proven track record to produce excellent results in the CBSE board examinations. I take pride that our school has produced top scorers and achievers. With Continuous improvement in our systems, facilities and amenities, we have always added one more reason to choose SPS as a preferred destination for school education.

As a parent, you want the best for your child and we are proud to be working with you to ensure that they are given the right knowledge to face the future challenges. Parents, students and the school authorities are a team and we have to complement each other's efforts.

Principal's hard work may often go unnoticed, but we have amazing Principal whose leadership and positive attitude plays a huge role in the success of Teachers, Staff, and Students. I really appreciate her constant dedication to keep Parents updated and informed, especially during these rapidly changing times. Her dedication to our students is much appreciated. We feel very fortunate to have her as our principal during these challenging times.

I extend my heartfelt gratitude to all the Parents, Patrons and well-wishers for their unprecedented support and co-operation.
